

## Terms and Conditions

1. Entrants must be aged 27 years or younger as at 31 December 2017 and therefore born after 31 December 1989.
2. Entrants must be currently employed by, or contracted to a building firm or a builder at the time of the regional competition being judged. Entrants agree to advise the national project team of any change in employment during the competition (note: a change in employment will not remove entrants from the competition, however the new employer must agree the entry can continue).
3. Entrants must have completed at least two years of your National Certificate in Carpentry on-site by the entry closing date of Tuesday 6 June 2017, or have finished your apprenticeship no more than eight months before applications close i.e. not before 6 October 2016.
4. Entries need to be fully completed and signed by you and your employer – your entry will not be accepted if it isn't complete.
5. You can enter the competition a maximum of two times, provided you are not a national winner the prior year.
6. You need to confirm that all details provided in the entry form are correct and that you have read and understood the terms and conditions.
7. All entries will be reviewed by the judging panels and a maximum of 10 entries per region will be selected to undergo a face to face interview and a site visit.
8. Of those selected to progress through the competition, the judges will then select one winner, a second placegetter and a third placegetter with results being announced at the regional event.
9. The judges must be satisfied that you meet the criteria established for the competition.
10. The judges have the right to disqualify any entries.
11. The judges' decision is final and no correspondence will be entered into.
12. You agree to participate in judging and associated activities. If judged a regional winner, you agree to participate in the national competition in Auckland.
13. If you win, you must collect your prizes within two years of the event and the prizes are not transferable or redeemable for cash.
14. You agree to allow your details to be supplied to national sponsors.
15. You agree to participate in any publicity relating to this award. This may include, but is not exclusive to, interviews/photographs with media.

Note that you do not need to be working for a Registered Master Builder to enter. The competition is open to any carpentry apprentice, regardless of their training provider i.e. you don't have to be a BCITO apprentice and you do not have to be a customer of Carters.
