UPCOMING EVENTS

There's heaps of upcoming events, and BBWG encourages you and your mates to get amongst it!

5 ways to build out construction waste *now* AND connect with construction professionals in your area.

ONLINE EVENT: Wednesday 12 June 12.00 – 1.00pm

Hear from these nationally available solutions that can help you reduce waste from your projects now.

- Reduce polystyrene waste in flooring via Cleve Pod
- Reduce PVC plastic waste via Marley PVC take-back scheme
- Reduce flooring waste via Jacobsens ReForm take-back scheme
- Reduce Paint and packaging waste via Resene Paintwise
- Reduce fitout waste via SpaceBar modular kitchens and cabinets

Then connect, share experiences and collaborate with other local stakeholders in your region.

Northland – Auckland – Bay of Plenty – Waikato – Gisborne Hawkes Bay – Taranaki – Manawatu-Wanganui
Tasman/Nelson/Marlborough – West Coast – Canterbury
Otago – Southland

Complimentary event – register here

A key highlight for BBWG is the **Connecting the Construction Industry: Building Out Waste** event under National Events.
